EMPLOYMENT

University of Chicago Booth School of Business	Chicago, IL
Assistant Director, Career Resource Center	June 2010 – September 2012

- Researched, analyzed, and prepared key summary findings and reports on companies, industries, and professionals for the Associate Dean and Deputy Dean. Proposed future initiatives based on insights.
- Taught a series of instructional programs to 100+ students on utilizing research resources, including databases and in-house created resources. Researched, developed, and presented a program on strategies for maintaining and developing an online presence.
- Researched, analyzed, and presented recommendations in regards to student internet and technology use in preparation for, and development of, student-facing resources. Analyzed the landscape of social media, spoke with industry professionals, and assessed the value each resource could bring to students. Created, maintained, and trained staff on a student-facing social media accounts.
- Selected to present at the MBA Career Services Council annual conference in Seattle (2012).

Manager, Career Resource Center	June 2007 – June 2010
---------------------------------	-----------------------

- Identified new MBA career opportunities using student survey findings and industry reports to assist the company-facing team.
- Provided research assistance to 1,200 students to support their individual job search efforts. Offered one-on-one advising appointments, developed and taught programs based on student requests and needs.
- Worked within a small team to organize and implement an annual conference for 1,200 MBA students and alumni volunteers.

Saint Martha's Hall (Battered Women's Shelter)

Saint Louis, MO

Development Intern

Summer 2006

- Created a media campaign targeting the unjust reporting of violence towards women as portrayed in the media. Using print and television media, identified common examples of unjust coverage of violence towards women.
- Spoke at volunteer outreach events and advocated on behalf of the shelter, increased awareness of the firm's mission, and collected charitable contributions. Wrote press releases on shelter and activism updates.
